"We're extremely pleased to have chosen Apple Montessori, Metuchen for our daughter. From an incessant crying toddler to an independent happy child, the transformation in the last 7 months has been heart warming. None of this would not have come to be without the dedicated care of Ms Lourenco and staff. Thank you!!"

"I am extremely happy with the school, all of the staff and my son's teacher Ms Strulovitz. The school has always been very courteous, respectful, friendly and accommodating with my son who has been there for 2 years now. He loves it here. The standard of education is extremely high and the program is varied. The children are exposed to a lot of information in a fun way and are constantly being challenged. I would highly recommend this school to any new parent who is looking for a safe, friendly and loving environment for their child."
